

## *¡7 Pasos Para Hacer Escucha Activa!*

### 1. Listen and read

### 2. Listen and read while looking for unknown words and expressions

- Underline/circle/highlight them
- Stop and study what you don't know - Take notes
- Write new phrases using the words and expressions in the same context/other contexts

### 3. Listen and read the transcript with vocabulary and expressions highlighted (x2)

### 4. Understand what is being said

- Answer questions about what was said
- Multiple choice questions – answer them as you listen

### 5. Paraphrase (summarize) what you heard

- Write down what was said using your very own words

### 6. Highlight the main facts of the story / dialogue / speech / etc.

- Write down a list of the main facts

### 7. Learn from it!

- Use the vocabulary and phrases learned in other contexts
- Write down phrases in different contexts using what you learned and look for synonyms and other uses and meanings
